Beverage Information

We have very reasonable beverage pricing, and we don't have rigid drink packages. We like to let you customize a bar package for your event. On average, when events host beer, wine, and soft drinks, the price per person is about \$25. When cocktails are added to that, the price per person goes up to about \$40 for rail (Absolut, Tanqueray, Bacardi, Jose Cuervo, Seagrams 7, and Christian Brothers brandy) and about \$60 for a full open bar including premium/top shelf liquors. We do not have a minimum purchase requirement for private event rentals.
